A minister parked his car in a no-parking zone in a large city and attached the following message to his windshield: "I have circled this block 10 times. I have an appointment to keep. Forgive us our trespasses." When he returned to his car he found this reply attached to his own note, along with a ticket: "I've circled this block for 10 years. If I don't give you a ticket, I lose my job. Lead us not into temptation."

Please stay safe and God bless.
